

University of California, Irvine

Study Information Sheet

You are being asked to participate in a research study that explores how adults order certain adjectives.

Please note that the data you provide may be collected and used by Amazon per its privacy agreement. This study contains a number of checks to make sure that participants are finishing the tasks honestly and completely. As long as you read the instructions and complete the tasks, your HIT will be approved. If you fail these checks, your HIT will be rejected.

There are no direct benefits from participation in the study. However, this study may help explain how and why certain utterances are interpreted in a particular way.

All data collected will be stored securely and confidentially on a password-protected server.

The team will not have access to or be gathering any information that personally identifies you.

If you have any comments, concerns, or questions regarding the conduct of this research please contact Galia Barsever (gbarseve@uci.edu), Gregory Scontras (gscontra@uci.edu), or Lisa Pearl (lpearl@uci.edu).

Please contact UCI's Office of Research by phone, (949) 824-6662, by e-mail at IRB@research.uci.edu, or at 5171 California Avenue, Suite 150, Irvine, CA 92617 if you are unable to reach the researchers listed above and have general questions; have concerns or complaints about the research; have questions about your rights as a research subject; or have general comments or suggestions.

Participation in this study is voluntary. There is no cost to you for participating. You may refuse to participate or discontinue your involvement at any time. You are free to withdraw from this study at any time.
